**Date:** 3/11/2014    **Status:** Inspection

**Author:** Miller, Adam

**Updated Oil Volume:**

**Updated Salt Water Volume:**

**Updated Other Volume:**

**Updated Other Contaminant**

**Notes:**

Contaminated snow has been scraped up and disposed of. Scraped-up soil on pad awaiting disposal. I spoke with a CRI rep on site. He stated that CRI contacted the landowner, and they agreed on the area to be scraped up. CRI pulled soil samples for analysis. Small amount of crude oil still left on piled topsoil to south of pad, but it is being addressed.
